

VIBRATION RANGE

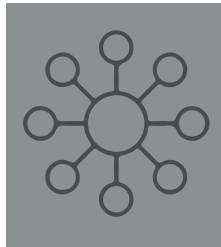

# TAX

Flexible transmissions for eccentric vibrators

**+ Robust and resistant**

TAX transmissions are a proof of quality and resistance thanks to their materials and construction.

**+ Wide range**

Different configurations available in transmission lengths to satisfy all needs.

**+ Total protection**

The TAX transmissions are reinforced at both ends

- Transmission with increased protection at the poker's head connection end
- Easy interchange of transmissions to the motor
- Strengthened with metallic mesh
- TAXE transmissions go with AX25 and AX32 poker  
TAX transmissions go with AX40, AX48 and AX58

## Technical Data TAX Transmissions

MODEL	Weight (kg)	Length (m)
TAX/TAXE 0.6	2.6	0.6
TAX/TAXE 1	3	1
TAX/TAXE 1.5	3.5	1.5
TAX/TAXE 2	4	2
TAX/TAXE 2.5	4.5	2.5
TAX/TAXE 3	5	3
TAX/TAXE 4	6	4
TAX/TAXE 5	7	5
TAX/TAXE 6	8	6
